

Anne Shilton Executive Coach & Coach Supervisor

Anne has over 10 years experience as an Executive Coach and Coach Supervisor.

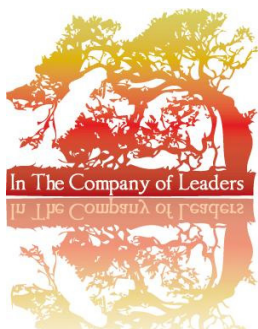

She has particular expertise in leadership development, raising individual performance, communication, marketing and personal branding. She has worked with many senior executives and top teams in both large and small organisations on coaching and change management programmes with a specific focus on developing 21st century emotionally intelligent leaders.

Anne has a lively, warm approach and brings passion, energy and fun to her coaching. She is committed to working in partnership with her clients providing a hands on facilitation style that motivates, encourages and challenges.

Her work continues to shape and renew her belief that the nature and strength of the relationships we establish has a profound impact on what is possible for individuals, teams and organisations.

Client experience in many sectors including NHS, Fire and Rescue Service Learning & Skills Council, Universities, Business Links, Schools, Care, Travel and Tourism, Food and Drink, Retail, Wholesale, Leisure and Financial Services.

A qualified coach and coach supervisor, Anne holds a post graduate Diploma in Marketing, is qualified to deliver psychometric profiling tools, the Institute of Leadership and Management's (ILM) Leadership, Management, Coaching & Mentoring Awards and is an accredited Investor in People adviser.
